

# STAATS OPER UNTER DEN LINDEN

## Attendance documentation

According to § 4 of the third SARS-CoV-2  
Infektionsschutzmaßnahmenverordnung

The data assembled in this document will be used to trace chains of infection with the SARS-CoV-2 virus and the information is exclusively used in accordance with the infection protection law to trace chains of contact.

The attendance documentation will be protected from the view of third parties and will be stored for a duration of two weeks after the end of the visited event. It is to be given to the according authorities upon request, if it is determined that at the time of their visit, a person was sick, suspected to be sick, suspected to be infectious or an eliminator in the sense of the infection protection law. After the end of the retention period the attendance documentation will be deleted.

For further information about the data protection, please visit our website:  
[www.staatsoper-berlin.de/de/extra/datenschutz](http://www.staatsoper-berlin.de/de/extra/datenschutz)

**Please hand the filled in form to a member of our evening service staff.**
